

SURGEON VISITATION PROGRAMME

New Knee Reference Centre in the UK

We are pleased to welcome Mr Sudheer Karlakki from Robert Jones and Agnes Hunt Hospital NHS Foundation Trust–Oswestry to the Exactech Medical Education surgeon visitation programme.

About Mr. Karlakki

Mr Karlakki completed his MSc in Orthopaedic Engineering in 1999, obtained his FRCS (Orth) in 2000 and completed his lower limb fellowship at Wrightington Hospital, UK in 2001. He was appointed Consultant Orthopaedic

and Arthroplasty Surgeon at Robert Jones and Agnes Hunt Hospital and Wrexham in 2003. Mr Karlakki has been solely based at Robert Jones and Agnes Hunt Hospital since 2009 and performs more than 300 joint replacements per annum, and he is now the Clinical Director for the Hospital. Mr Karlakki has attended more than 60 courses; he has also been an examiner on the clinical examination course from 2001–2009. He has several research projects in progress, has published numerous research publications and presented many papers and posters to learned societies. Mr Karlakki has been using the Optetrak Logic® Knee System for more than two years and is receiving very favourable results.
