

SURGEON VISITATION PROGRAMME

Shoulder Reference Center in Circle Bath

Mr Andrew Chamblor

Consultant Orthopaedic Surgeon & Shoulder Specialist

ABOUT MR CHAMBLER

Mr Andrew Chamblor is an Orthopaedic Consultant and Specialist Shoulder surgeon at Circle Bath Hospital. He leads the Upper Limb unit and is referred patients from the south west of England as well as internationally from countries such as Pakistan and Bahrain. Currently, he is also Clinical Chairman of Circle Bath Hospital. He is a specialist in shoulder and elbow surgery. A large part of his practice is made up of shoulder and elbow joint replacements and tendon problems.

He trained at St Mary's Hospital in London, followed by the Northwest Thames Orthopaedic rotation program. His Master of Surgery was undertaken at Imperial College. He is fellowship trained in shoulder and elbow surgery from the Nuffield Orthopaedic Centre in Oxford. He has been awarded travelling fellowships to Europe and the Mayo Clinic in the USA to further developed his experience in shoulder and elbow disorders.

Mr Chamblor was a Consultant Orthopaedic Surgeon at Yeovil District Hospital for many years and joined Circle Bath in 2010 as a surgical partner. In 2013 he moved full time to Circle as the first Executive Consultant Orthopaedic Surgeon in Circle Health. In 2016 he was appointed Clinical Chairman of Circle Bath Hospital.
