

SURGEON VISITATION PROGRAMME

Shoulder Reference Center in Royal United and Circle Bath

Mr Gavin Jennings MBBS, MA(Cantab), FRCS(Tr and Orth)
Consultant Orthopaedic Surgeon

ABOUT MR JENNINGS

Gavin Jennings studied at St John's College, Cambridge and St Mary's Hospital, London before undertaking his orthopaedic and sub-specialist training in London.

He was awarded a Fellowship in South Africa under Joe De Beer, one of the world's leading arthroscopic (keyhole) shoulder surgeons.

He subsequently undertook a further Fellowship in Arthroscopy and Athletic Injuries at the University of British Columbia, Vancouver under Professor McCormack (Chief Medical Officer for the Canadian Olympic Team). He was actively involved both in research and the treatment of numerous world class sportsmen during these periods abroad.

Mr Jennings has a wealth of experience in Arthroscopic procedures as well as experience with complex open procedures. These include operations for the treatment of irreparable tendon problems; the treatment of arthritis including all types of shoulder replacement; treatments for trauma and fractures around the shoulder and clavicle and tendon transfers (on which he has published internationally).

He is frequently referred patients with complex shoulder problems from other orthopaedic surgeons. His focus is gaining the best possible results for his individual patients where goals can range from the reduction of pain and dysfunction to the return to high-level sporting activities.

Areas of interest

The diagnosis and treatment of the whole spectrum of problems related to the shoulder girdle. All arthroscopic and open surgery of the shoulder.
