Matthew Kent, FRCS (Orth)

Consultant Orthopaedic Surgeon

Royal Liverpool and Broadgreen University Hospitals

ABOUT MR. KENT

Mr. Kent was appointed as a Consultant Shoulder & Elbow Surgeon at the Royal Liverpool and Broadgreen University Hospitals in 2011 after completing training in the Cambridge region, an MSc in Orthopaedic Engineering and a post CCT shoulder fellowship in Liverpool.

His main focus has been on developing the shoulder arthroplasty and revision arthroplasty service at the Royal Liverpool and Broadgreen Hospitals. He has visited numerous centers of excellence in Europe and North America to gain additional expertise in this field and now performs many complex primary and revision shoulder arthroplasty procedures as well as using the Exactech system for anatomical, reverse and fracture surgery.
