

## Shoulder Reference Centre in Liverpool

### **Mat Smith, FRCS (Orth)**

Consultant Orthopaedic Surgeon  
The Royal Liverpool & Broadgreen University  
Hospitals NHS Trust

### ABOUT MR. SMITH

Mr. Smith is a Consultant Shoulder & Elbow Surgeon at The Royal Liverpool & Broadgreen University Hospitals NHS Trust. He trained in Manchester and undertook fellowships in Wrightington, Preston and finally Liverpool. Having completed the Liverpool Fellowship, he took up post as Consultant in the unit in 2009.

He undertakes all aspects of shoulder surgery and has been using the Equinoxe® system since 2010. He regularly implants Hemiarthroplasties & Total Shoulder Replacements in anatomical and reverse configurations. He also uses the trauma stem and is running a prospective randomised study comparing the Hemiarthroplasty and Reverse Total Shoulder Replacements in reconstructable fractures of the proximal humerus in the patients over 60.
