

## Shoulder Reference Center in Reading

**Harry Brownlow FRCS (Orth)**  
Consultant Orthopaedic Surgeon  
Circle Reading

### ABOUT MR. BROWNLOW

Mr. Harry Brownlow is a Consultant Orthopaedic Surgeon who specialises entirely in problems affecting the shoulder and elbow regions. He also delivers immediate diagnostic ultrasound and ultrasound guided injections.

Mr. Brownlow qualified with a first class degree in medicine after having gained a BSc for research in basic anatomy. He trained on the academic programme in Oxford and gained an MD for a thesis on research into fracture healing. He won the prize for the best written national exit exam in Orthopaedics. He completed fellowships in advanced shoulder and elbow surgery in Oxford, Sydney and Reading. He was appointed as a Consultant Orthopaedic and Trauma surgeon at the Royal Berkshire Hospital in Reading in 2003, and joined Circle Reading in 2012.

Mr. Brownlow has collected Patient Related Outcome Measures (PROMS) since 2004 and is one of the few surgeons who publishes his success rates.
