

Shoulder Reference Centre in Bedford

Mr. Joby George-Malal, FRCS (Orth)
Consultant Orthopaedic Surgeon
Bedford General Hospital

About Mr. George-Malal

Mr. George-Malal qualified in 1998 from Mahatma Gandhi University, India. He did his post-graduate orthopaedic training at Sion (LTMMC) Hospital, Mumbai, gaining his master of surgery degree from Mumbai University. He holds a diploma in Orthopaedics from the College of Physicians and Surgeons of Mumbai and is also a Diplomate of the National Board of Examinations, New Delhi.

Mr. George-Malal has a Masters degree in Health Sciences and Practice from the University of Central Lancashire. He was appointed to the Orthopaedic Higher Surgical Training programme of Mersey Deanery in 2006, gaining his FRCS (Trauma & Orthopaedics) in 2010 and was awarded the CCT in 2012.

Mr. George-Malal did his post CCT Fellowship in Shoulder & Elbow surgery at the world renowned Liverpool Upper Limb unit. Mr. George-Malal has published and presented widely on various topics in Orthopaedics and is an invited faculty at Shoulder courses.

He specializes in disorders of the upper limb (shoulder, elbow and hand). His NHS practice is at the Bedford General Hospital.
