

Shoulder Reference Centre in Manchester

Muthu Jeyam, FRCS (Tr & Orth)

Consultant Orthopaedic Surgeon
Salford Royal University Teaching Hospital

ABOUT MR. JEYAM

Mr. Jeyam is a consultant shoulder and upper limb surgeon at the Salford Royal University Teaching Hospital. He was appointed as a consultant in 2006.

Mr. Jeyam was awarded the fellowship of the Royal College of Surgeons in 1995. Following this, he completed full time research at the University of Manchester obtaining a M-Phil research degree. Mr. Jeyam further completed his higher surgical training in trauma and orthopaedic surgery within Manchester for which he was awarded the Fellowship of The Royal College of Surgeons in trauma and orthopaedics in 2004.

Mr. Jeyam gained valuable training from the prestigious Nottingham shoulder and elbow unit. Further to this he obtained international experience from a fellowship at The Harvard Shoulder Service and The Boston Sports Injury Service, Boston, Massachusetts, USA. He was awarded the senior British Shoulder and Elbow Society Fellowship in 2011, providing an opportunity to visit key opinion leaders in shoulder surgery; Dr. S. Burkhart in San Antonio, Texas USA and Prof. P. Boileau in Nice, France.

Mr. Jeyam specialises in arthroscopic shoulder and elbow surgery. His practice includes management of patients with upper limb sports injuries. In addition he performs open surgery including arthroplasty and specialises in complex upper limb trauma and fracture management. He is a member of the British Shoulder and Elbow Society (BESS). He is an honorary clinical lecturer at Salford University and he is involved in co-ordinating the postgraduate course in orthopaedic management at the University. Mr. Jeyam is part of numerous teaching faculties both nationally and internationally. He has published his academic work including research activities in peer-reviewed journals and presented at a variety of congress meetings.
